### *Braca... Then & Now*

\*In 1988 half of the current restaurant was a raw bar, where we served crab and shrimp cocktails and shucked fresh oysters and clams

\* In 1984, the “raw bar” side of the restaurant was a packaged goods store

\* In 1992, the “raw bar” was removed and replaced with the current seating there today

\* In January 2018, the restaurant was transformed into the café you see today
